Purpose:

The City of Scranton, Pennsylvania is preparing its FY 2015-2019 Analysis of Impediments to Fair Housing Choice. Every five (5) years, the U.S. Department of Housing and Urban Development (HUD) requires communities receiving Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) funds to prepare an Analysis of Impediments to Fair Housing Choice (A.I.). Resident and stakeholder input are essential to the successful preparation and implementation of the A.I. Come share your ideas and help develop strategies that will address the need for fair housing choice in Scranton.

This meeting is being held to:

- ◆ Identify residents' concerns regarding fair housing.
- ◆ Discuss potential barriers to fair housing choice and provide suggestions of actions the City can take to address those barriers.
- ◆ Discuss your rights under the Fair Housing Act, as amended.
