WHEREAS, HUD and Responsible Entities in the Commonwealth of Pennsylvania have participated in development of the Agreement and, pursuant to 36 CFR 800.14(b)(2), have determined that development of a single PA for all HUD Programs in the Commonwealth of Pennsylvania would foster consistency and efficiency in review of undertakings unlikely to cause adverse effects and allow more time for consideration of projects with a potential for adverse effects; and

WHEREAS, HUD, the Responsible Entities, and SHPO agree that when the Agreement would supersede a previously executed PA that addressed only Part 58 or Part 50 programs, they will terminate the previous PA according to its termination stipulation to avoid confusion. This commitment does not apply to HUD Addendum agreements to the FEMA PA for Presidentially declared disasters.; and

WHEREAS, HUD recognizes that it has a unique legal relationship with Tribes and Nations set forth in the Constitution of the United States, treaties, statutes, and court decisions, and, therefore, consultation with a Tribe or Nation must recognize the government-to-government relationship between the federal government and Tribes and Nations;

WHEREAS, HUD and the participating Responsible Entities acknowledge that Indian tribes possess special expertise in assessing the National Register eligibility of properties with religious and cultural significance to them; and

WHEREAS, HUD, on behalf of itself and participating Responsible Entities, has invited [**name(s) of organizations**] to consult in the development of this Agreement, and [**name(s) of organization**] accepted or not the invitation to consult; and

WHEREAS, HUD, on behalf of itself and participating Responsible Entities has invited the public to comment taking into account the nature and complexity of the undertaking and its effects on historic properties, and the likely interest of the public in the undertaking; and

WHEREAS, the Advisory Council on Historic Preservation (ACHP) issued in 1995 and revised in 2006 a "[Policy Statement on Affordable Housing and Historic Preservation](#)" that addresses implementation principles for Section 106 compliance, and those principles have been utilized in developing this Agreement; and

WHEREAS, in accordance with 36 C.F.R. Part 800.14(b)(2), HUD, on behalf of itself and participating Responsible Entities, has notified and invited the ACHP to participate in the development of this Agreement and the ACHP has accepted the invitation to participate; and

WHEREAS, Responsible Entities may opt to sign this Programmatic Agreement following its initial execution by implementing the adoption protocol in Appendix B; and

NOW, THEREFORE, HUD and the participating Responsible Entities, SHPO, and ACHP agree that HUD PIH, CPD, OHHLHC and Housing Programs in the Commonwealth of Pennsylvania shall be administered in accordance with the following stipulations in order to take into account the effects of these undertakings on historic properties and satisfy Section 106 responsibilities.

STIPULATIONS

HUD and the participating Responsible Entities shall ensure the following:

I. ROLES AND RESPONSIBILITIES OF HUD AND RESPONSIBLE ENTITIES (REs)

The HUD official and participating RE's Certifying Officer shall serve as Agency Official for the review of undertakings subject to their jurisdiction. Where "Agency Official" is used throughout the Agreement, it

refers to the HUD official or RE's Certifying Officer that has assumed the role of Agency Official for purposes of Section 106. A chart in Appendix C indicates whether 24 CFR Part 50 or 24 CFR Part 58 applies to the HUD programs listed in the chart.

A. HUD

1. HUD, through its Office of Environment and Energy in CPD, shall coordinate the initial execution of the Agreement and subsequent execution by additional REs, and coordinate amendments to the Agreement.
2. HUD program staff shall serve as Agency Official for conducting Section 106 review of individual undertakings subject to 24 CFR Part 50.
3. If HUD receives undertaking-specific complaints regarding a REs implementation of Stipulations II-IX of this agreement, HUD will follow agency policy described at 24 CFR 58.77(b) by referring all such inquiries and complaints to the RE and its Certifying Officer and consider such comments in HUD's established agency-wide and program-specific risk-assessment and monitoring procedures. As appropriate, HUD may provide technical assistance to help the RE fulfill its responsibilities under this Agreement.

B. Responsible Entities (REs)

1. The Certifying Officer of an RE that has assumed HUD's environmental review responsibilities as provided by 24 CFR 58.4 and signed this Agreement shall conduct the Section 106 review in accordance with this Agreement as the Agency Official.
2. REs that are not initial Signatories to the Agreement may sign and use the Agreement after its initial execution by following the adoption protocol found at Appendix B and executing a Signatory page.

C. Designation of Lead Agency Official in HUD-assisted Projects

1. If a project includes assistance subject to 24 CFR Part 58 and Part 50, the two (or more) Agency Officials may agree to have one Agency Official serve as the lead Agency Official and complete one Section 106 review on behalf of both entities. If the Lead Agency Official is a signatory to the Agreement, they may use the provisions of the Agreement for the review. The Agency Officials shall document the lead agency agreement in writing and share it with consulting parties.

D. Adoption of Another Federal Agency's Review

1. If a Federal agency has previously completed a Section 106 review and approved an Undertaking within the past five (5) years, the Agency Official will not conduct another Section 106 review for that same Undertaking, provided that the Agency Official:

- a. Adopts the findings and determinations of the previous Section 106 review;
 - b. Confirms that the scope, area of potential effects (APE), and effect, as defined by 36 C.F.R. Part 800.16(i), of its Undertaking are the same as the previously reviewed Undertaking;
 - c. Determines that the previous review was completed in compliance with Section 106, and any existing applicable program alternatives;
 - d. Documents its findings and determinations in the HUD Environmental Review Online System (HEROS) or other administrative record and confirms that all requirements of Section 106 for the Undertaking have been satisfied.
2. If the Agency Official, in consultation with the SHPO, determines that the previous Section 106 review for the proposed Undertaking was insufficient or involved interagency disagreements about the identification of historic properties, participation of consulting parties, eligibility for listing in the National Register, assessments of effect, application of the Secretary of the Interiors Standards for the Treatment of Historic Properties, an analysis of project alternatives, and/or resolution of adverse effects, the Agency Official shall conduct a new Section 106 review for the proposed Undertaking in accordance with the Stipulations of this Agreement.

E. Delegation to HUD Applicants or Lenders to Initiate Section 106 Consultation

1. HUD, through the Office of Environment and Energy (OEE), may authorize applicants to initiate consultation with SHPO pursuant to 36 CFR 800.2(a)(3).
2. OEE has issued a [Delegation Memo](#) that authorizes certain approved lenders applying for FHA financing to initiate consultation with SHPO. Lenders must follow the requirements of the memo and may use the provisions of this Programmatic Agreement, including exemptions in Stipulation II and Appendix A. If the memo expires, it may no longer be used, and lenders may no longer use the provisions of this Programmatic Agreement.
3. When required, HUD must conduct consultation with tribes; this cannot be delegated to lenders.

II. ACTIVITIES NOT REQUIRING REVIEW

The following types of activities have little or no potential to adversely affect historic properties and are exempt from further review under Section 106. To document and conclude the review, the Agency Official shall note in HEROS or other administrative record the applicability of one or more of the exemptions.

- A. Activities that are Exempt and/or Categorically Excluded and not subject to related laws under [24 CFR 50.19\(b\)](#) when the HUD official is the Agency Official.
- B. Activities that are Exempt under [24 CFR 58.34](#) and/or Categorically Excluded and not subject to related laws under [24 CFR 58.35\(b\)](#) when the RE's Certifying Officer is the Agency Official.

- D. Leasing without demolition, rehabilitation or construction, and no physical activities beyond maintenance as defined in HUD Notice CPD-16-02, “Guidance for Categorizing an Activity as Maintenance for Compliance with HUD Environmental Regulations, 24 CFR Parts 50 and 58”.
- E. Undertakings without ground disturbance that involve single family (1-4 unit) properties that are less than 45 years old, unless the property is a historic property as defined in 36 CFR 800.16(l) and/or the Undertaking involves exterior alterations within a historic district.
- F. Undertakings that are limited to the rehabilitation of interior spaces within single family (1-4 unit) residential structures, where such work will not be clearly visible from the exterior of the structure.
- G. Undertakings consisting solely of activities listed in **Appendix A** NO EFFECT ACTIVITIES LIST.

III. STANDARD SECTION 106 REVIEW OF PROJECTS NOT EXEMPTED IN STIPULATION II

For all projects with activities that do NOT meet the criteria in Stipulation II, the Agency Official shall conduct reviews in accordance with Subpart B of [36 CFR 800](#) and Stipulations IV through IX of this Agreement which provide additional guidance on meeting Subpart B in review of HUD-assisted projects. Stipulations III through V are included to provide HUD-specific guidance for use when complying with the Section 106 process, in addition to the regulations.

IV. IDENTIFICATION AND EVALUATION OF HISTORIC PROPERTIES

- A. The Agency Official shall define and document the APE and identify historic properties within the APE that may be directly or indirectly affected by the project in accordance with 36 Part 800.4. For purposes of this Agreement, when an Undertaking consists solely of the rehabilitation of the interior features of an individual building, the APE will be limited to the individual building and parcel.
- B. For each Undertaking, the Agency Official shall review the SHPO’s online inventory found in the Pennsylvania’s State Historic and Archaeological Resource Exchange (PA-SHARE) to determine if any previously identified historic properties, as defined in 36 Part 800.4, are located within the APE. The Agency Official shall also review properties identified in county and local historic resource survey and inventory records.
- C. For any properties in the APE that have not been listed in or previously determined eligible for listing in the National Register, the Agency Official shall evaluate the properties to determine if they are eligible for the National Register, and provide the SHPO, consulting tribes and other consulting parties the opportunity to review and comment on this evaluation and determination of eligibility

per 36 CFR 800.4(c). See Appendix D with SHPO procedures for evaluating a resource for eligibility for listing in the National Register and submitting to the SHPO for concurrence using PA-SHARE.

- D. The Agency Official shall use HUD Notice CPD-12-006 (“Process for Tribal Consultation in Projects that are Reviewed Under 24 CFR Part 58”) and the May 5, 2015 HUD policy memo (“Section 106 Tribal Consultation in Projects Reviewed Under 24 CFR Part 50”) that adopts the Notice for Part 50 reviews for guidance on when and how to consult with Indian tribes and NHOs about sites of religious and cultural significance to tribes, including archeological sites, that may be considered historic properties.

V. DOCUMENTATION

- A. Documentation required for consultation per the provisions of this Agreement shall meet the requirements in 36 CFR Part 800.11 and should include at a minimum: written description of proposed project, including any areas of ground disturbance; photographs of the proposed project area, including any potentially affected historic properties (if any), and mapping of the limits of disturbance (if applicable) and APE.
- B. All documentation generated for review purposes under the terms of this Agreement shall be submitted to the SHPO using PA-SHARE and in accordance with current guidance found in Appendix. No email submissions will be accepted.

VI. TIMEFRAMES

- A. The SHPO, tribes and other consulting parties, as participating, shall have 30 days to review and respond to a request for comment or concurrence on a determination of eligibility and/or a finding of effect . If the SHPO does not respond within 30 days of receipt of a request for concurrence on a finding of effect, the Section 106 consultation shall be considered complete. If the SHPO later reenters the consultation, the Agency Official may continue the consultation without being required to reconsider previous findings or recommendations.
- B. If the SHPO requests additional missing information in order to meet documentation requirements under V. above, SHPO shall have thirty (30) days from receipt of the additional information to respond.

VII. CONSULTING PARTIES and PUBLIC INVOLVEMENT

- A. The Agency Official shall identify and invite the participation of consulting parties as appropriate to the scale of the undertaking and the scope of Federal involvement. Projects with anticipated

adverse effects and/or controversial projects will likely warrant broader consultation. Parties that may have a consultative role in the Section 106 process include but are not limited to the following: Federally recognized Indian tribes; Tribal Historic Preservation Officers; representatives of local governments; and applicants for federal assistance. The Agency Official shall also identify and invite the participation of other consulting parties, as defined in 36 Part 800.2 (c)(5).

- B. The Agency Official shall identify and invite the participation of the public as appropriate to the scale of the undertaking and the scope of Federal involvement, as defined in 36 Part 800.2(d).
- C. The Agency Official shall follow HUD Notice CPD-12-006 “Process for Tribal Consultation in Projects That Are Reviewed Under 24 CFR Part 58” and the May 5, 2015 HUD policy memo that adopts the Notice for Part 50 reviews.
- D. If an undertaking may affect a National Historic Landmark, the Agency Official shall follow the requirements in Section 110f of the NHPA and 36 CFR Part 800.10.

VIII. POST REVIEW DISCOVERIES

If, during the implementation of an undertaking, a previously unidentified property that may meet the criteria for eligibility for inclusion in the National Register is encountered, or a known and previously identified historic property may be affected in an unanticipated manner, the Agency Official shall follow 36 C.F.R. Part 800.13(b).

- A. In the event of an unexpected discovery and/or unanticipated effect during project implementation or construction, that portion of the project shall stop immediately, and the project manager shall take appropriate steps to immediately secure the site and shall notify the Agency Official within 48 hours of discovery. The Agency Official shall immediately notify the SHPO/THPO, Tribes, and other relevant consulting parties including descendent communities by email and phone.
- B. If human remains are discovered, they shall be respectfully covered over and protected. In addition, the project manager shall immediately notify local and/or state law enforcement authorities including the coroner/medical examiner pursuant to local/state law.
- C. In the event of an unexpected discovery of a site, the Agency Official shall consult with the SHPO, THPO and tribes or other descendent community representatives to determine if the discovered site appears eligible for the National Register. If it does appear to meet the Criteria for eligibility for listing in the National Register, the Agency Official shall submit a treatment plan for the avoidance, protection, recovery of information, or destruction without data recovery to the SHPO for review and comment. The treatment plan shall be consistent with the ACHP’s handbook Treatment of Archaeological Properties and subsequent amendments and PA SHPO’s Guidelines for Archaeological Investigations in Pennsylvania. If human remains are discovered, the treatment plan

shall follow the guidance in [Advisory Council on Historic Preservation Policy Statement Regarding Treatment of Burial Sites, Human Remains and Funerary Objects](#), including appropriate consultation with descendent communities. Avoidance and preservation in place is the preferred option for treating human remains.

- D. The Agency Official shall notify relevant consulting parties of the unanticipated discovery and provide the proposed treatment plan for their comment. Construction work in the area of the discovery shall not continue until the plan has been accepted by SHPO/THPO and implemented. If objections to proposed treatment plans cannot be resolved, the ACHP shall be consulted as per Stipulation XI.

IX. DISASTERS AND EMERGENCY REVIEW PROCEDURES

The Agency Official from time to time may review undertakings in response to disasters, including, but not limited to, floods, tornadoes, earthquakes, windstorms and fires, and public health emergencies.

A. Exemption from Review

- 1. Immediate rescue and salvage operations conducted to save life or property are exempt from Section 106 review requirements per 36 C.F.R. Part 800.12(d).

B. Expedited Review

- 1. During operations which respond to a disaster or emergency situation declared by the President, a tribal government, or the Governor of a State, or which respond to other immediate threats to life or property, the Agency Official may conduct expedited reviews of emergency undertakings that occur within 30 days of the disaster declaration or within 30 days of the completion of emergency event. The Agency Official will notify SHPO using PA-SHARE, and SHPO shall have 7 days to respond to a request for comment. If a disaster is declared by a Responsible Entity's chief executive officer or legislative body under 36 C.F.R. Part 800.12(c), the Agency Official may follow the same process, unless the ACHP or SHPO objects to the action within the 7 days.
- 2. Should the Agency Official determine that it is necessary to extend the expedited review period for emergency undertakings beyond 30 days, the Agency Official may request an extension in writing from ACHP and notify SHPO and participating Tribe(s).

C. Review Under Separate Programmatic Agreement for Disasters

- 1. If during the term of this PA, the Commonwealth of Pennsylvania chooses to execute a separate Programmatic Agreement for CDBG-DR funds or wishes to execute a HUD Addendum to the

FEMA PA for the Commonwealth of Pennsylvania for disaster recovery activities, the Commonwealth may use the provisions of such an Agreement and successor Agreements to expedite review of undertakings that respond to Presidentially declared disasters.

X. MONITORING AND TRAINING

- A. The Agency Official shall provide the signatory parties to this Agreement with an Annual Report in January of each year summarizing all projects that were reviewed under Stipulation II and Appendix A of this Agreement, and if requested by the signatory party, shall schedule a meeting with them to discuss the Report. Data for the Annual Report may be derived from HEROS and should be submitted to SHPO using PA-SHARE.

- B. The Annual Report shall include:
 - 1. a list of projects that used the exemptions in Stipulation II and Appendix A of the Agreement to conclude Section 106 without further consultation, categorized by name (or street address) and town;
 - 2. a summary of staff and consultant training held;
 - 3. staff and consultant training proposed for the following year;
 - 4. views of the Agency Official regarding the effectiveness of the Agreement;
 - 5. recommendations for any actions or revisions to be considered including updates to the appendices.

- C. Upon written request from one or more of the Signatories of the PA, the SHPO in collaboration with HUD may conduct training workshops or webinars to assist the Agency Official, Recipients, and consultants to understand the technical requirements of the Agreement and provide guidance on in-kind replacement or repair, the Secretary of the Interior's Standards for the Treatment of Historic Properties, and techniques to avoid or minimize adverse effects to historic properties.

XI. DISPUTE RESOLUTION

At any time during the implementation of the measures stipulated in this Agreement, should an objection to any measure or manner of implementation be raised by a consulting party or member of the public, the Agency Official shall take the objection into account and consult with the objecting party and the SHPO to resolve the issue.

- A. The Agency Official shall represent itself in all matters of dispute resolution that pertain specifically to this Agreement.

- B. The responsibilities of the signatories to carry out all other actions subject to the terms of this Agreement that are not the subject of the dispute shall remain in effect.
- C. If the Agency Official determines that the objection cannot be resolved, they shall forward all documentation relevant to the dispute to the ACHP and request their recommendations or comments. The Agency Official shall take into account the ACHP's recommendations or formal comments in reaching a final decision regarding the dispute.
- D. If the ACHP does not provide its advice regarding the dispute within 30 days, the Agency Official may make a final decision on the dispute and proceed accordingly. Prior to reaching such a final decision, the Agency Official shall prepare a written response that takes into account any timely comments regarding the dispute from the signatories and concurring parties to the Agreement and provide them and the ACHP with a copy of such written response.

XII. AMENDMENTS

- A. Any signatory may submit a written request to HUD, through its Office of Environment and Energy in CPD, that this Agreement be amended. HUD will notify the other signatories and consult with them. With the exception of requests made under XII.B. below, amendments shall only be considered if requested in writing and must be approved in writing by all signatory parties that are participating in the Agreement at the time.
- B. Appendix A Exempt Activities may be amended without requiring amendment to the body of this Agreement at the request of an Agency Official who is a Signatory to the Agreement. HUD, on its own behalf or on behalf of another Signatory, shall notify the Signatories of the intent to modify Appendix A and shall provide a draft of the updated Appendix to all signatory parties. If no other Signatory objects in writing within 30 days of receipt of the proposed modification, HUD shall date and sign the amended Appendix and provide a copy of the amended Appendix to the other Signatories. Such an amended Appendix A shall go into effect on the date HUD transmits the amended appendix to the other Signatories. If a Signatory objects to the proposed amendment to Appendix A, the Agency Official shall continue consultation to reach consensus, and if not resolved, the amendment shall not be implemented.

XIII. TERMINATION

- A. A signatory may terminate their participation in this Agreement by providing written notice describing the reason(s) for termination to the other parties. If the SHPO or ACHP terminates, the Agreement with all Agency Officials is terminated. If a Responsible Entity Agency Official terminates, the Agreement is terminated only for activities subject to that Agency Official's Section 106 review under 24 CFR Part 58 and remains in effect for other participating Agency Officials. If HUD,

represented by the Assistant Secretary for Community Planning and Development, terminates, the Agreement is terminated only for activities subject to HUD's Section 106 review under 24 CFR Part 50, and remains in effect for other participating Agency Officials' activities under 24 CFR Part 58.

- B. This Agreement shall remain in effect for at least 30 days from receipt of notice to terminate. The Office of Environment and Energy in CPD, the SHPO, the Agency Official, and the ACHP shall consult prior to actual termination to resolve the written reasons for termination and if possible, to amend the Agreement accordingly or seek other actions that would prevent termination.
- C. In the event that an Agency Official terminates their participation in this Agreement and prior to work continuing on any Undertaking, the Agency Official shall comply with 36 CFR Part 800 for all Undertakings that would have been subject to this Agreement.

XIV. DURATION

- A. This Agreement shall remain in force for ten years from the date that the ACHP signs the Agreement, unless it is terminated or superseded by another Agreement.
- B. This Agreement may be terminated by the execution of a subsequent Agreement pursuant to 36 CFR Part 800.14(b) that explicitly terminates or supersedes this Agreement.
- C. Within six months prior to the expiration of this Agreement, the SHPO, ACHP, and Agency Officials who are signatory parties to the Agreement at that time shall consult to consider terms for a new Agreement, extension, and/or amendment of the terms of the existing Agreement or allow the Agreement to expire.
- D. The signatories may collectively agree to extend this Agreement to cover additional calendar years, or portions thereof, through an amendment in accordance with Stipulation XII.A, provided that the original Agreement has not expired.
- E. Should an Agency Official choose not to extend their participation in the Agreement, they shall terminate their participation per Stipulation XIII, and the Agreement shall remain valid for the other parties.

XV. EXECUTION AND IMPLEMENTATION

This Agreement may be executed in counterparts, with separate signature pages. After signature by SHPO, HUD, ACHP, and the initial participating Responsible Entities, the Agreement will become effective on the date it is signed by ACHP. Responsible Entities that sign later must follow the Protocol in Appendix B. The Agreement will become effective for them on the date on which the Responsible

Entity signs the Agreement and submits their signature page to HUD, through its Office of Environment and Energy, the SHPO and ACHP.

Execution of this Agreement and implementation of its terms evidence that HUD and participating Responsible Entities have taken into account the effects of the undertakings subject to this Agreement on historic properties and afforded the ACHP an opportunity to comment.

Otherwise, this document shall serve only as guidance for findings of No Effect submitted on a case-by-case basis to the SHPO for concurrence.

The following types of activities routinely funded by the federal U.S. Department of Housing and Urban Development (HUD) agency have been determined by the Pennsylvania State Historic Preservation Office (PA SHPO) to have minimal potential to adversely affect historic properties [under Section 106 of the National Historic Preservation Act, as amended](#).

To document and conclude the review, the Responsible Entity must list the No Effect activities in the **ANNUAL REPORT OF NO EFFECT ACTIVITIES**, which is submitted to the PA SHPO utilizing PA-SHARE, by January 31st of each calendar year. The annual report shall note the applicability of one or more of the exemptions below.

1. **Alterations to buildings or structures, with no ground disturbance, that do not meet the National Register criteria for eligibility due to their age.** Alterations to buildings and structures less than 45 years old are exempt except when the alteration to the existing building or structure may impact a surrounding National Register listed or eligible historic district and/or the applicant has been made aware of historic property concerns. ***Note: new construction is not an exempt activity.***

APPENDIX B

Protocol for Responsible Entities to Adopt the HUD Statewide Part 50/58 Programmatic Agreement

Background

HUD-assisted projects require a historic preservation compliance review, otherwise known as a Section 106 review, which requires federal agencies to consider the effects of their projects on historic properties. This review process can be completed as outlined in 36 CFR 800 for individual projects, or a Programmatic Agreement (Agreement) may be developed as an alternative to expedite the process for multiple projects. HUD developed a statewide Agreement that applies to HUD projects administered under both 24 CFR Part 58, when the unit of local government is the Responsible Entity (RE) mandated to ensure compliance with the National Environmental Policy Act and all related laws and authorities under Part 58, including Section 106; and Part 50, when HUD officials conduct the environmental review. The Agreement includes a list of project activities that are exempt from further review, provided the stipulations in the Agreement are met.

Individual Responsible Entities can opt to sign the Agreement and use its streamlining measures in their Section 106 reviews. Participation in the Agreement is voluntary. A Responsible Entity is always free to develop its own separate, individual Agreement or conduct reviews with the standard Section 106 process. To take advantage of the stipulations in the Agreement, a Responsible Entity must be a party to the Agreement, which can be achieved through implementing the protocols below.

The Agreement was drafted by HUD in consultation with the SHPO and with input from the ACHP. During the initial development of the Agreement, HUD through its Office of Environment and Energy, facilitated consultation with statewide historic preservation organizations and federally recognized Indian tribes. Responsible Entities who signed at the initial stage conducted outreach to the public and potentially interested parties in their jurisdiction about the Agreement, their intention to sign it as well as to solicit comments on the draft. Documentation of that outreach effort, and comments, were provided to HUD. The draft Agreement was revised based on comments received from HUD's outreach as well as that of the Responsible Entities. The Agreement is now executed and cannot be modified, except as outlined in Stipulation XII of the Agreement.

The following guidelines should be used when a Responsible Entity seeks to adopt the HUD Statewide Agreement to expedite Section 106 reviews conducted under Part 58.

Initiation

- A Responsible Entity should notify their Regional Environmental Officer or Field Environmental Officer of their interest in adopting the Agreement for their jurisdiction. HUD is available to support and discuss the Agreement process with Responsible Entities and assist them throughout the adoption process, as necessary.

Public Outreach

- Before they adopt the Agreement, a Responsible Entity must inform potentially interested parties in their jurisdiction about the Agreement and their interest in adopting it. Such parties may include, but are not limited to, local historic preservation commissions (whether or not the city participates in the SHPO's Certified Local Governments program) and local historic preservation organizations, as defined in 36 CFR Part 800.2 (c). This can be done by notice, letter, meeting, or other means. The general public must also be informed pursuant to 36 CFR Part 800.2(d). This can be done by notice on a local government website, in a local newspaper, or by other means. A Responsible Entity must consider any comments received in its decision on whether to sign the Agreement.
- The RE must provide HUD with documentation of their public outreach. If insufficient, HUD will provide TA to RE on additional outreach required. HUD will provide the documentation to the SHPO when submitting the executed signature page to them.

Adoption of Agreement

- HUD will provide a signature page for each eligible Responsible Entity.
- The Responsible Entity may begin using the Agreement for reviews effective the date of signature by the Responsible Entity and submission to OEE.
- On behalf of the Responsible Entity, the HUD Regional Environmental Officer/Field Environmental Officer will notify SHPO, ACHP, tribes, and any participating consulting parties of new signatories to the Agreement.
- HUD will post the Responsible Entity signature pages on the Section 106 Agreements section of the HUD Historic Preservation page at <https://www.hudexchange.info/environmental-review/historic-preservation/section-106-agreements/>

Annual Report

- Per stipulation X of the Agreement, the Responsible Entity must prepare an Annual Report as stated. HUD will provide data from HEROS on the Responsible Entity's projects during the year. The Responsible Entity must provide the report to the HUD Region 3 REO/FEO and to the SHPO utilizing PA-SHARE. Any of the parties may request a follow-up discussion of the report and its recommendations.
- Responsible Entities are encouraged to use HEROS when preparing their Part 58 reviews to facilitate the preparation of the annual report required as per the Agreement.
