

Small Business CDBG Microgrants

The City of Scranton, in conjunction with the Small Business Development Center (SBDC) at The University of Scranton, announce the CDBG Small Business Micro-Grant Program for new or early-stage businesses located in Scranton's low-moderate-income demographic areas (LMA). Funds, ranging from \$2,500 to \$5,000 per business, will assist with start-up costs, thus contributing to their initial success and continued revitalization of our community.

The Community Development Block Grant (CDBG) Program provides funding to the City of Scranton to develop and maintain viable urban communities by providing economic development opportunities. CDBG funding must meet the national objective to benefit LMA, including business retention activities.

A Business is defined as a commercial enterprise that has at least one (1) or more employees, one (1) or more of which is the principal and owns the enterprise at the time of application. This includes both part-time and full-time employees. A Business is a private for-profit business entity; corporation, partnership, or sole proprietorship that is legal, licensed, and operating entities in the Commonwealth of Pennsylvania.
