Scranton Department of Public Works Closes Flood Gates

SCRANTON, PA. – Early Monday, December 18, the City’s Department of Public Works decided to close the flood gates along the Lackawanna River. This is a precautionary measure due to heavy rainfall and flash flood warnings throughout Lackawanna County.

Closures are at:

- Olive Street
- Albright Avenue
- Poplar Street
- Parker Street
- Sanderson Avenue

This may impact road travel. The City urges residents to use caution while traveling on or near these closures today. For continued updates, see the City’s social media accounts on [Facebook](#), [Instagram](#), or [X](#).
