HOW TO PREPARE RECYCLING FOR THE CURB

- **Rinse out any food or liquid residue** from containers before placing them in the bin
- Cardboard must be **free of contaminants** such as grease or non-recyclable packing material
- Cardboard should be **broken down and neatly combined** before placing it in the bin or stacking it on the curb
- **Make sure to set your bins out no more than 24 hours before and prior to 6 AM** the day of pick up

Unsure if an item is recyclable?

When in doubt, find out or throw it out!
